WOODEN CRATES

ADDING CARE THROUGH PACKING.

**EVERYTHING
YOU CREATE
MATTERS.**

Applications

- Machinery spare parts
- Auto parts
- Electronic equipments
- Light to heavy weight machines
- Engineering goods

FEATURES

High quality wood used to manufacture crates, such as jungle wood, hard wood, pine wood, and so on.

- ❑ High durability
- ❑ Termite and fungus proof
- ❑ Cost-efficient
- ❑ Protects the goods while storage or transportation
- ❑ An appropriate choice for packaging of bulk quantities
- ❑ As per ISPM -15 regulations - HT or MB, recognized by IPPC

We are known for manufacturing and supplying wide variety of export-worthy wooden crates. Wooden crates are available in standard as well as customized measurements, as per client's requirements.

**EVERYTHING TO MARKET
YOUR BUSINESS.**

WOODEN DRUM

The wide collection of Wooden Cable Drums offered by our company is widely applicable in various electrical and allied industries. These wooden cable drums are generally applicable for bare or insulated conductor of aluminum or copper, wire rope, plastic tubing, rubber hose, welding wire, CCTV cable, fiber optic cable, aluminum tubing etc. The sturdy construction and long life of these cable drums has made us one of the reputed Drums Manufacturers in India. Our prompt delivery services have also given us the distinction of one of the well reckoned Wooden Cable Reels Suppliers.

PINE WOOD LOGS

Counted as one of the best suppliers, we offer high-quality Pine Wood Logs. These are sourced from the best forests for the exact demands. They are used in packaging, building construction, indoor & outdoor furniture and other applications. Owing to perfect finish and high strength, offered Pine Wood Logs are highly demanded worldwide.

PINE WOOD PLANKS

Committed for delivery of goods within the specified time frame, we are regarded as the pioneer supplier and importer of Pine Wood Planks. Available in different sizes and patterns, these wood planks are broadly used for designing furniture items and doors. We source these wood planks from trusted vendors of the market. Our entire team of expert packaging agents packs these Pine Wood Planks in best quality packing covers to offer qualitative range to our clients.

FEATURES

- Excellent durability
- Termite resistant

WEE PROTECT GOODS PVT. LTD.

A FULL SERVICE PACKAGING EXPERIENCE

FEATURES

- ❑ Termite Resistance
- ❑ Cost
- ❑ Effective Shows Strength
- ❑ Robust Construction
- ❑ Long Life
- ❑ As per ISPM -15 regulations - HT or MB, recognized by IPPC

It's the appealing act of printing Black ink on to white kraft box packaging like corrugated boxes or kraft packing tape. It is a refined custom branded packaging choice, it stands out immediately, giving your brand's unboxing experience different feeling. In terms of both technical details and creative choices, it's a tricky thing to do right, but certainly not impossible to pull off.

WHITE KRAFT BOX

SO, WHAT EXACTLY IS THIS PACKAGING TREND?

- Used for shipping and storage of cubic, round or odd shaped medium, large and heavy size items.
- Larger boxes from warehouse stores, supermarkets, or the office are perfect for packing and moving.
- Small boxes are great as disposable toy blocks.
- Made from high quality Virgin and recycled Craft Paper.
- 3, 5, 7 and 9 Ply Boxes (depending on size).
- Bs30 Strength, compression of up to 1000 kgs.

PLAY AN IMPORTANT ROLE ON PACKAGING

STRONG | SUSTAINABLE | RECYCLABLE

Gained from our several years of business presence, we are manufacturing an extensive range of Packaging products like Coated Corrugated Boxes. A corrugated box is generally paper made and available in different capacities & sizes. We take all possible efforts to ensure international quality standards in our final products.

Processed food, garments, handicrafts and stationery manufacturers prefer using corrugated paper boxes instead of fiber or plastic boxes. The corrugated paper boxes are designed with 3 ply - 5 ply - 7 ply as per the specific requirements of the industry. Double or triple layered corrugated boxes can withstand the medium to heavy loads and therefore, used for packing of electric motors, ceiling fans, gas ovens and many more.

We make printed boxes, cartons, covers and trays to cater the specific needs of the interior decoration industry. A printed packaging product consists of printed image or label of company. Gift boxes, stationary boxes and garment covers are available in attractive printed designs. Different types of sealing, printing, cutting and stitching machines are used in designing of paper board boxes. Plain paper board box is available in simple colors like black, white, blue, yellow and others.

Features

- ❑ Used for shipping and storage of cubic, round or odd shaped medium, large and heavy size items.
- ❑ Larger boxes from warehouse stores, supermarkets, or the office are perfect for packing and moving.
- ❑ 3, 5 and 7 Ply Boxes (depending on size).
- ❑ Small boxes are great as disposable toy blocks.
- ❑ Made from high quality Virgin and recycled Craft Paper.
- ❑ BF10 Strength, compression of upto 60 kgs.

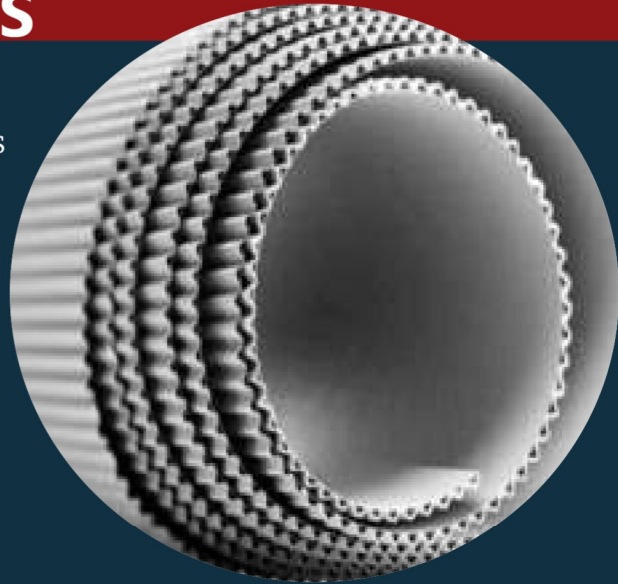

FLUTED LINERS & A,C,E,N TYPE SHEETS
